

REVIEW INQUIRES

Check off which you feel would be most helpful:

- How effectively have I been meeting the goals and expectations set for my role as an account manager?
- What are my strengths and areas for improvement in my performance as an account manager?
- Have I demonstrated strong communication and relationship-building skills with clients and team members?
- In what ways have I contributed to the success of client projects or account management initiatives?
- Have I shown a proactive approach in identifying and addressing client needs and concerns?
- How well have I managed my time and priorities to meet deadlines and deliver quality work?
- Have I effectively utilized the tools, resources, and systems available to support my account management responsibilities?
- What additional training or development opportunities would you recommend to enhance my skills and performance?
- How well have I adapted to feedback and incorporated it into my work and professional growth?
- Are there any specific areas or projects where you feel I could take on more responsibility or contribute more effectively?
